Registration Deadline - August 6, 2014

The Mile High Chapter of the Association of Legal Administrators is pleased to announce our annual golf tournament. This year's selected charity is The Delores Project.

The Delores Project has served homeless women from across the Denver metropolitan area since 2000. The organization began when a concerned group of homeless service providers came together to provide safe, emergency shelter for single, adult women.

The goals of The Delores Project are to:

- Reduce the number of women living on the streets of metro-Denver
- Provide a low-barrier to entry, welcoming environment in which shelter guests feel safe and secure
- Connect those shelter guests desiring to move towards long-term stability with access to resources and supportive services
- Operate the organization efficiently, making the best use of agency financial and human resources

We encourage our members, family, friends, and members of the legal community to join us in supporting this endeavor.
